Fees & Commissions paid to Advisory Circle

COMMISSIONS

Initial commissions paid to Advisory Circle

Advisory Circle may receive initial commissions from the product providers if you decide to purchase a product I recommend. The amount of initial commission is calculated as a percentage of the premium paid by you. The commission is paid by the Insurer when you purchase the insurance.

Initial commissions, where permitted by law, are calculated as follows:

- Life Insurance risk products: between 0% – 66% (GST inclusive) of the premium that you pay.

Ongoing commissions paid to Advisory Circle

Ongoing commissions may be paid regularly by the product provider for the length of time that you hold the product. They are usually paid to Advisory Circle by the product provider out of the revenue the product provider earns.

Ongoing commissions, where permitted by law, are calculated as follows:

- Life Insurance risk products: between 0% and 22% (GST inclusive) of the renewal premium. For level commission arrangements this will be up to 30% (GST inclusive) of the renewal premium.

For example, if an insurance product is recommended and you pay a premium of \$500, then the total “upfront” commission paid by the product issuer to Advisory Circle will be between \$0 and \$330.

Thereafter, the “ongoing” commission paid to Advisory Circle will be between \$0 and \$110 (assuming upfront commission arrangements and there is no change to the premium you pay in subsequent years).

FEES

Fees may be charged for the services I provide which will be agreed upon and confirmed to you prior to any service provided. Fees may relate to providing a specific piece of advice and/or for further advice services provided.
